### **Career Section:**

Contacts and resources are listed as time permits, but get on our e-mail list for opportunities that pop up during the meeting year that are enclosed in our meeting notices. Please contact Richard Sessions at: [rtsessions@earthlink.net](mailto:rtsessions@earthlink.net)

- In order to help the networking opportunities for students and professionals, GTTC is looking for 1 or 2 volunteers to help staff the sign-in table and meet the attendees at each meeting.

- For individuals or companies with open positions please attend the meeting with your position announcements or send them or a link to GTTC and we will advise.

### **Career Recruiter/Jobs:** (entries with no date are more than one year old)

Here are a few recruiters that have been in contact with some of the members. I cannot vouch for everyone, but at least a contact on GTs for most. Feedback or recommendations appreciated.
